Driving in the rain? How to avoid hydroplaning and control your vehicle

Hydroplaning occurs when a layer of water comes between your car's tires and the road, causing your car to skid or slide across a wet surface. Even for the most experienced driver, this loss of steering and braking control can be a terrifying experience with potentially disastrous consequences.

How growing or using recreational marijuana may impact your home insurance

The consumption, possession and growing of recreational cannabis was legalized in Canada in late 2018. While the legalization of recreational cannabis is still quite new, many Canadians are starting to wonder how this change may impact their home insurance premiums or their ability to secure coverage.
